## About the college

Union Christian College, established in 1921, is a pioneering ecumenical initiative in higher education in central Kerala. The institution was founded by four visionary alumni of Madras Christian College - Shri K. C. Chacko, Shri A. M. Varki, Shri C. P. Mathew, and Shri V. M. Ittyerah with the vision of creating a centre of learning rooted in integrity, heritage, and Christian values.

Located on a serene 42-acre green campus on the banks of the Periyar River, the college is affiliated with Mahatma Gandhi University and is just 12 km from Cochin International Airport. With 18 academic departments, nearly 2700 students, and 160 faculty members, the college is widely recognized for its academic excellence, research culture, and vibrant student community.

The college is governed by an ecumenical board comprising members from the Malankara Orthodox Syrian Church, Jacobite Syrian Orthodox Church, Malankara Mar Thoma Syrian Church, Church of South India, and the Inter Church Fellowship (ICF), reflecting its inclusive and pluralistic ethos.

## About the UCC Institute of Management and Technology

The MCA, MBA, and BCA & BBA programmes are offered under the umbrella of the UCC-Institute of Management and Technology, the professional education wing of Union Christian College, Aluva.

The MCA Department, founded in 2001, functions as the technical education wing of Union Christian College. The department is approved by the All India Council for Technical Education (AICTE) and affiliated with Mahatma Gandhi University. The department offers a Master of Computer Applications (MCA) programme with an annual intake of 120 students. The institute is housed on a 2.8-acre campus equipped with state-of-the-art infrastructure, including: Smart classrooms, fully equipped internet and computing laboratories, an expanding and well-resourced library.

A major milestone in the department's journey was the inauguration of the new MCA building in 2008 by renowned free software advocate Richard M. Stallman, underscoring the institution's commitment to quality education, innovation, and ethical computing. In addition to the MCA programme, the Institute expanded its academic offerings with the MBA programme started in 2014 with an intake of 60 students, and four-year honours programmes in BCA and BBA introduced in 2025 with an intake of 40 students each.

The Institute emphasizes not only technical competence but also the development of discipline, commitment, ethical responsibility, and social awareness, ensuring the holistic growth of students.

## About UCCICON

UCCICON is the annual flagship conference series of the MCA Department, Union Christian College, Aluva. Conceived as a recurring academic and industry-focused forum, UCCICON interconnects multiple platforms by bringing together professionals from diverse industries and domains, along with academicians, researchers, faculty members, and students, to deliberate on emerging technologies and their real-world impact. UCCICON 2026 focuses on the transformative role of Artificial Intelligence (AI) across diverse domains, highlighting its opportunities, challenges, and future directions.

UCCICON 2026, themed "Artificial Intelligence – An Era of Unlimited Opportunities", features an inaugural session comprising a keynote address followed by a panel discussion by experts from renowned organizations. The panel discussion will focus on future opportunities in Artificial Intelligence, career preparedness and skill development, and the ethical, security, and societal implications of AI, offering participants valuable insights into both opportunities and challenges in the AI-driven era.

## Why Attend UCCICON 2026

- > Gain insights into emerging AI trends and technologies
- > Interact with industry experts, academicians, and researchers
- > Present and publish innovative research contributions
- > Explore career pathways and research opportunities in Artificial Intelligence
- > Be part of a vibrant academic and professional forum
- > Three Best Paper Awards - ₹5,000/- each

### Registration Information:

It is mandatory for at least one author of an accepted paper to register for the paper to appear in the conference proceedings. The conference will be conducted in offline mode.

The Registration Fee has to be paid only after the acceptance of the full paper.
